

Knowledge • Virtue • Aspiration

As salaamu alaykum wa rahmatullahi wa barakatahu.

Dear Parents and carers,

As you are aware the effects of Coronavirus continue to impact on us all and create huge challenges in these testing times. Not least of our problems are financial. We are all aware that these trials and challenges are from Allah Subhanahu wa t'ala and in them is the opportunity to return to Him, seek His forgiveness and draw together and aid each other as a community.

We are very aware and sensitive to the various financial constraints you, our parents, find yourselves in. The difficulties faced are shared by us all; the school itself is now facing extreme financial hardship with many overheads to cover in order to remain open. With our sole income being the fees that parents and carers pay then we would like to work together in order to overcome this challenge.

We humbly request that you support the school financially by paying the fees in full, if you are able to do so, otherwise the school is offering a 20% reduction for the last term's fees. We are also accepting charitable donations to keep the school open. May your charity and generosity be a means of removing harm from yourselves and the Muslims. We would also like to remind parents and carers to pay all outstanding fees, this will help towards easing the schools financial difficulty.

To discuss any matters relating to fees, schoolwork or any other enquiries please do not hesitate to email or phone the school office; the office will be open Monday to Thursday 10.00am - 3.00pm.

For enquiries regarding fees please email: [s.ahmed@greenfieldsprimary.school](mailto:s.ahmed@greenfieldsprimary.school)

For all other enquiries please email Admin: [admin@greenfieldsprimary.school](mailto:admin@greenfieldsprimary.school)

Finally, we ask Allah, The Mighty and Majestic to make all our affairs easy and to keep us and our loved ones safe and obedient to Him regardless of the challenges.

Board of Directors,

Greenfields Primary School
