Dear Parents/Carers,

Re: possible reopening of school to more pupils in June

In light of the recent announcements that pupils may begin their return to schools from the 1st. For us this will mean the possible restart of school for years 1 and 6.

We're now waiting for further guidance and clarification from the government, which will provide information and inform us in creating a phased reopening action plan. This will ensure the safest and most effective procedures are still followed. We'll share this with you as soon as possible so you know what the school's reopening will look like in practice.

In these unsettled and uncertain times you may rest assured that we're doing everything we can to make sure we're ready to receive the pupils. However, parents reserve the right to keep their children at home if they choose to do so.

We'd like to thank you for your cooperation during these testing times. For years 2, 3, 4 and 5, remote learning via Class Dojo will continue until further guidance from the government is available. In the coming weeks we'll provide further guidance on the school's phased reopening.

If you have any questions, please contact the school office; the current office hours are 11:00 am- 2:00 pm. Alternatively, you can message us through ClassDojo.
