Re: Coronavirus update 2

Dear Parent/Carers

This is to inform all parents that after receiving feedback, the overwhelming majority of parents responded saying they would not be bringing their children back for an early June start. So after careful consideration and discussion with Management and Directors we feel it would be safer for the school to remain closed. Our dedicated teachers will continue with quality Online lessons for our children via Class Dojo recommencing from the 1st June. Senior Leadership and Directors will be monitoring and reviewing guidance from Government and Local Authority. We will keep you updated and informed as information becomes available.

As always we thank you for your continued cooperation and support during these difficult times.
