Coronavirus Update 3

IMPORTANT ANNOUNCEMENT

Dear Parent/Carers

After close monitoring of the current situation and deliberation with parents and directors, the Senior Leadership Team at Greenfields have decided that we would be making provision for pupils from Years 1 and 6 to start back at Greenfields from **Tuesday June 16th**.

We have been working hard over the last few weeks on formulating a robust Risk Assessment along with highlighting any safeguarding measures and additional duties required in order to create an environment that is safe and secure some parents may have some concern in regards to this.

Our new measures will include staff training and pupil briefing on all the requirements and government advice given to us over the last few weeks and will ensure that current issues such as frequent handwashing, social bubbles, social distancing etc are adhered to. The timings of the school day and timetable will be sent via class dojo as of next week and all Risk Assessments, Health & Safety Policy and updated Safeguarding will all be found on our website next week also.

We hope all children will attend as we have missed them so much and I'm sure they have missed their friends and staff. We hope that we can achieve a sense of normality for them before they break up for the summer holidays as well as providing them with important education and learning before they break up. The last few weeks will also enable us to identify their current progress and be able to provide adequate provision in whatever shape or form that may be to ensure that effective learning in a safe, secure and happy environment is achieved!
