## **Coronavirus Update 4**

### **IMPORTANT ANNOUNCEMENT**

Dear Parent/Carers

After close monitoring of the current situation and deliberation with parents and directors, the Senior Leadership Team at Greenfields have decided that we will be re-opening school but limited to Years 1 and 6. This is in line with government guidelines. We look forward to welcoming back our Years 1 and 6 pupils on **Tuesday June 23rd**; Monday being reserved for staff briefing on guidance and procedures. However, online learning will continue for all other years.

A robust and comprehensive Risk Assessment, updated Safeguarding and Health and Safety Policy Addendum and Government/ NHS compliant cleaning regime are now in place to ensure our children are in the safest, healthiest, and most beneficial environment possible.

Our updated and enhanced measures include staff training and pupil briefing on all the requirements and government advice given to us over the last few weeks and will ensure that current issues such as frequent handwashing, social groups, social distancing etc are reinforced and implemented. The school day timings and lesson timetables will be sent via Class Dojo as of next week. Similarly, the Risk Assessment, Safeguarding, Health & Safety Policy will be uploaded to our website. Please note children are not to attend school if they display any of the following symptoms:

- A high fever
- A new continuous dry cough
- Sudden loss of taste or smell

All of our pupils have been greatly missed so we hope as many of years' 1 and 6 children will take this opportunity to attend school, catch up with friends, classmates and teachers and at the same time benefit from the Islamic and academic environment. These short but crucial weeks will provide important opportunities to assess pupils progress, levels and identify gaps and enable support and learning plans to be put in place and further provide adequate provision in whatever shape or form that may be.
